Dear Friends & Supporters,

Your donations make a difference! The generosity of you and others is deeply appreciated and provides us with the resources to forward our mission of personal and global transformation. We continue to depend upon donations, bequests, and other gifts to sustain the momentum you have helped us build at the Christine Center.

There are many reasons individuals make gifts of cash and stock, as well as charitable bequests through their wills, life insurance policies, and other planned giving vehicles. [Here are three key reasons:](#)

1. Simply put, giving is a way of sharing your good fortune.
2. Giving is both satisfying and practical, when combined with financial and estate planning.
3. Planned giving is increasingly used as a highly effective tool to support your favorite charities.

We ask that you continue to open your hearts to the Christine Center's mission, impacting generations to come, by considering an estate gift or other major donation.

Please share your intention to make a legacy gift by returning the enclosed card.

With love and gratitude,
Sister Johanna Seubert
Director of Donor Development
