

Harvest Moon 2021

The Christine Center Art Studio Grand Opening October 2, 2021
Open Studio Tours Saturdays and Sundays in October 10am – 4pm

Paints, brushes, singing bowls and drums!

Meet our artists, creativity guides and makers!

We are celebrating 10 years of art and creativity workshops with a new studio! Daily live drumming, singing bowls, and painting experiences will be available at various times during the October weekend Open Studio! Come experience our beautiful bookstore and meditation spaces, and sample delicious, intriguing tea and treats from the soul-restoring recipes of St. Hildegard of Bingen, a 12th century visionary artist and creative.

With a faculty of talented and experienced artists, we offer “Creation Station” art classes and beauty-making experiences, as well as art as meditation and soul-art for contemplative deepening. Weekly open “creativity clinics” provide anyone of any skill level an opportunity to bring their art for conversation and tips, but most especially for inspiration to work out creative challenges.
